THE DISTILLERY BANKSIDE

OUR HERITAGE

Here at The Distillery, you will find yourself in what used to be a renowned essence factory; the Stevenson & Howell's Standard Works which distilled essential oils and manufactured essences, flavourings and garnishes during the 1800's.

We are proud of our heritage and inspired by its fragrant history which shows in our signature cocktails using homemade syrups, aromatics, infusions and bitters, all hand crafted by our expert bartenders.
